

Before and After School Supervision

Student safety at Hepburn Primary School is our highest priority and the safe and appropriate supervision of students is an important element of our duty of care to students. Part of this duty is ensuring parents and students are aware of our student supervision arrangements before and after school.

Before school: School grounds (general play areas) are supervised at 8:35am

After school: School grounds (front entry and bus collection point) are supervised until 3:45pm

Students on school grounds outside these times will **not** be supervised (unless they are attending a before or after school care program or supervised extracurricular activity).

Parents/carers are requested to ensure that students do not attend school outside of these supervised times unless they are attending before or after school care, or a pre-arranged supervised activity (i.e. sports practice).

Families are encouraged to contact Matt Beechey on 03 5348 2531 for more information about the before and after school care facilities available to our school community or if you would like any further information about our student supervision arrangements.

For a copy of our school's Yard Duty and Supervision Policy please contact the school office. This policy includes Hepburn Primary School's student supervision arrangements across the school day, including before and after school.
